## 2018/2019 annual financial commitment

### Annual Financial Commitment

**Annual Financial Commitment:** The sustaining Annual Financial Commitment level established by the Board of Directors for fiscal year 2018-2019 is \$3,600. Sustaining AFC ensures that our sacred community may continue to thrive, operate seamlessly, and serve all congregants throughout the year.

It is synagogue policy that no household be denied membership due to genuine financial hardship. Please contact Michael Kamler, Executive Director at 415.479.3441 x3006 to discuss an appropriate financial contribution. All such conversations are kept personal and confidential.

Yes, sign me up for automatic renewal of sustaining AFC at the level approved by the Board of Directors each year.

Your financial contribution is deemed tax deductible for federal income tax purposes.

### Tradition of Giving

We are so appreciative of your voluntary contribution to our Tradition of Giving fund. Our members' AFC commitment covers only a portion of our synagogue's annual expenses. Our Tradition of Giving fund not only allows us to ensure that no one is turned away for financial need, but is the way we as community invest in our vision and demonstrate our engagement with, and generosity to our *kehilla kedosha*, our holy community. Please note that all donors will be listed within the levels below in our annual report, unless otherwise indicated below. Participation is as important as amount given. A gift of any amount, starting at \$18, is deeply appreciated. **Please indicate:**
